First class customer support and quality of service makes PROFORCE the number one choice for firearms and tactical equipment for the law enforcement professional.

About PROFORCE

PROFORCE Law Enforcement is focused on supplying products critical to those professionals serving communities across America. Our customers include Law Enforcement / Military Professionals (both active and retired), Security Personnel, Medical First Responders and Fire Professionals.

Certain products we sell will require proof of membership to one of the above listed professions to be able to purchase these items. These requirements are generally the result of contractual agreements with our various vendors due to the sensitivity of the products being sold.

Firearms that are for individual officer duty use and within certain territories depending on brand, will require

a department authorization form and proper law enforcement ID in order to purchase these items. Alternatively, these firearms can be purchased in our Brea, California store upon adherence of all California and Federal laws.

If you have any comments or questions regarding territory restriction Please contact us at the

PROFORCE Support Center Mon-Fri 8:00am-5:00pm.
